## Insurance Policy Statement

### **-Reliable Installs - One Year Appliance Installation Warranty-**

Reliable Installs offers a limited, one year installation warranty on all appliances we install.

This warranty is only good for the original purchaser and is non-transferable.

Warranty is valid for one year from the date of initial installation.

We warrant our installation services will be free of defects in workmanship and performed pursuant to industry standards and manufacturer's installation instructions.

Our warranty covers installation issues only. It does not cover manufacturer issues with the unit.

If any person or company, other than Reliable Installs,.. removes, adjusts, or tampers with the installation in anyway. This will void our installation warranty on the Appliance.

If any service or other adjustments are needing to be made within our one year installation warranty, Original purchaser is to contact us directly. To uninstall unit in order to keep that warranty intact.

We will not be held liable for any issues or damages that may arise, if these conditions are not met.
